

**AGENDA FOR 10TH MEETING OF THE
ICID WORKING GROUP ON CAPACITY DEVELOPMENT,
TRAINING AND EDUCATION (ICID WG-CDTE)**
11 September 2025, 14:00-15:30 Hours (Session-I)
11 September 2025, 16:00-17:30 Hours (Session-II)
Kuala Lumpur, Malaysia

Strategy Theme: Sustainable Development

PRESENTED BY THE CHAIRMAN

Year of Establishment: 2015

Extended completion of the Mandate: 2027

Mandate: (i) Coordinate and guide the knowledge management activities of the Commission and the capacity development activities by various WGs: (a) *Compile the status of training and educational programmes offered in different regions; & (b) Compile the Educational Programs being offered in irrigation and drainage in different regions;* (ii) Identify the training and education requirements, and identify gaps in available training programs, explore the feasibility of developing e-learning program and prepare guidelines for their development to support education and training programmes; (iii) Explore the scope of use of IT in capacity development including distant learning, and implement where feasible; (iv) Make available various tools required for sustainable development; (v) Oversee the establishment and functioning of a Technical Support Unit for supporting NCs; and (vi) Facilitate the process of balancing education and training requirements, and provision of training services

Webpage: <https://icid-ciid.org/wbody/WG-CDTE>

Agenda Item 1: Action Taken Report by Chair

1. The Chair will present the report on the actions taken on the decisions and proposals of the working group at its last meeting held in 2024 at Sydney, Australia.

Agenda Item 2: Review of the membership of the WG

2. ICID Central Office has not received any new nominations for the membership of the WG.

3. Chair in consultation with Vice Chair, Secretary of the WG and the Central Office have updated the membership of the WG as given at **Annex 1** (*refer electronic version for latest membership*). New nominations, if any, for the membership received will be processed suitably after the meeting.

4. During the virtual meeting of the group held on 24 February 2025, it was informed that Dr. Akie Mukai (Japan) has withdrawn his provisional membership for the group. Central Office has requested Japanese National Committee of ICID (JNC-ICID) to send a fresh nomination for the membership of WG-CDTE in place of Dr. Akie Mukai.

5. Er. Ashok Kumar Kharya (India), who was the member of the group, informed vide his email of 12 February 2025 that he retired on 31st January 2025. In February, 2025 Central Office has requested INCID to send a fresh nomination for the membership of WG-CDTE in place of Er. Ashok Kumar Kharya. Response is awaited.

SUPP: Vide e-mail of 23 August 2025, DHAN Foundation (India), Direct Member of ICID nominated A. Gurunathan and K. Ilavarasi (India) for the membership of the working group.

Agenda Item 3: Brief of the 1st Virtual meeting organized on 24 February 2025

6. A virtual meeting of the WG-CDTE was organized on 24 February 2025 wherein nine members participated. During the meeting, Chair discussed various activities like membership, YP training & educational programmes, e-learning program, webinars, workshops/seminars/conferences, e-Discussions etc. The minutes of the online meeting of the WG-CDTE have been shared with the membership of the group and uploaded on a dedicated webpage (ICID Workbodies Virtual Meeting) at https://icid-ciid.org/inner_page/152

7. The Chair may provide further updates, if any, at the meeting.

Agenda Item 4: Discussions towards activation of WG mandate

8. During the virtual meeting, Chair Dr. Wahba touched upon the mandate of the group with the members. Dr. Wahba shared some ideas for activation of the WG mandate such as:

- (a) Utilizing the WG – Website as a platform or data base for exchanging of thesis and papers among professionals
- (b) Utilizing existing Pilot Projects for advanced technologies for Capacity Building
- (c) On-site training for Young professional and technical staff
- (d) Attracting private sectors in a win-win cooperation for technology promotion
- (e) Organizing special training Workshops
- (f) Preparing to invite some sponsors for some WG events and activities
- (g) Cooperation with partners for Msc and PhD scholarships
- (h) Call for sponsors to support African NC's membership in ICID
- (i) Research needs and private sectors cooperation - Research development and Utilizing YP's in technology promotion – as Part time contributions
- (j) Organizing First Young Professional conference on “Irrigation & drainage for sustainable agricultural”
- (k) Organizing exhibitions to promote advanced technologies in Irrigation and drainage.

The Vice Chair Dr. Vijay Labhsetwar brought the attention of the members to mandate: (a) *Compile the status of training and educational programmes offered in different regions;* & (b) *Compile the Educational Programs being offered in irrigation and drainage in different regions* – an activity undertaken in earlier years. The Chair had also developed some document attempting to identify gaps in training needs in previous years. He suggested to not forget the efforts made earlier. Dr. Narges Zohrabi suggested to build capacity development projects (collecting names, details of training courses in various countries etc). Mr. Jeff Camkin thought that the above approach is limited to a few countries and has limited scope. He suggested to explore institutions in The Netherlands (like IHE Delft Institute), Australia, China and India (like National Water Academy) and liaise with them for training opportunities. He suggested to start small and build on the experience later. Training opportunities can also be explored with institutions signing MoUs with the WG (next item).

9. Chair may provide further updates, if any, at the meeting.

Agenda Item 5: Status of signing MoU's and what is next?

10. During the virtual meeting, Chair Dr. Wahba emphasized on “what is next?” after signing MoU's. The members need to utilize any opportunities to support YP's and he gave an example for securing 15 scholarships for Master's and PhD students through a new MoU with Yangzhou Chinese University. Chair Dr. Wahba informed about the new MoU's in pipeline:

- (a) National Institute of field crops – Tunisia
- (b) Two institutes and Research centres in Uzbekistan
- (c) Institute in Tajikistan
- (d) Yangzhou University- China

11. Chair may further updates, if any, at the meeting.

Agenda Item 6: Road Map to ICID Vision 2030: Status of Activities

12. WG reviewed the status of activities under the Action Plan (Road Map to ICID Vision 2030) to help NCs develop their capabilities and overcome any knowledge or skill gap which includes young professional training & educational programs, workshops, seminars, conferences, e-discussions and sharing of the information (webinar/web-based activities), dissemination of the knowledge, e-learning material. Accordingly, the WG updated the activities identified as per the Road Map to ICID 2030 (**Annex 2**). The activities of the group to be identified for the years 2025-2026-2027 as per Road Map, which are as follows:

- **Goal C: Facilitate exchange of information, knowledge, and technology** (C5. Strategy: Dissemination of Data, Information, Tools, Knowledge and Know How); E-discussion and Webinars at NC's levels, regional and global levels.

- **Goal E:** *Encourage research and support development of tools to extend innovation into field practices* (E1. Strategy: Support Improving Research Prioritization in the Countries); Analysis of the data collected – Research Need Assessment (RNA); Final Report of RNA; Technical support services for NC's and partners.
- **Goal F:** Facilitate Capacity Development
 - F1.** Strategy: Enhancing Institutional Capacity Development of Member Countries); Preparing programs for study tours to pilot farms upon request from NC's and others; Emails to NC's for Nomination of experts; Data Collections; Data analysis; Finalization and release of TNA Report.
 - F2.** Strategy: Support Capacity Development Activities of Member Countries):
 - 2.1 Facilitate donor NCs support joint research, invitations training, YP support program, or membership subscription in certain period (TSU); Finalization and dissemination of technical report; Sending emails and letters from CO to NC's; Dissemination of TSU reports (if any).
 - 2.2 Report on capacity development needs, available training courses, gaps, institutes which can provide training to fill gaps etc.; Training Programmes according to TNA of different levels.
 - F3.** Strategy: Technical Training of Young Professionals from Member countries;
 - 3.1 Develop on-line training and extension material to be used in support of improving irrigation practices and increasing water productivity; YP training programme;
 - 3.3 Establishment of a distance learning mechanism: E-learning modules:
 - 3.4 Capacity development/training program on request from NCs: Organization of regional training program (one) every year; Organization of African Young Professional forum every year;
 - 3.5 An online directory of institutes providing formal degree/s in Irrigation and Drainage: Updating of Information, Online courses
 - F5.** Strategy: Providing Technical Support to NC's (TSU): Study tours, Diagnosis studies, Tailor made training upon request of NCs.

13. The Chair may provide further updates, if any, at the meeting.

Agenda Item 7: Promoting Capacity Development, Training and Education

Agenda Item 7.1: Training Programs for YPs in September 2025 during Malaysia meeting

14. As part of the Capacity Development Training Programme, ICID in association with the Malaysian National Committee of ICID (MANCID) is organizing a one-day Young Professional Forum Training Program on the topic '*NextGen Water Leaders: Innovating for Sustainable Irrigation Futures*' during the 4th WIF and 76thIEC meeting on 11 September 2025 at Kuala Lumpur, Malaysia. MANCID has deputed a Training Coordinator for one day YP Training Program for four Sessions i.e. *Session 1: Visioning the Future of Irrigation; Session 2: Smart Technologies and Innovation in Irrigation; Session 3: Community – Drive Irrigation & Nature based solution; and Session 4: Leadership and Policy Advocacy for the Next Generation.* During the WIF4, Young Professionals (YPs) will actively participate and contribute to the Forum Sessions as Rapporteurs etc. and will also attend one-day YP Training Program.

15. The aim of the Young Professional Forum is to empower early-career professionals with knowledge, tools, and networks to address the future challenges of irrigation and water management. The 1-day intensive training includes expert sessions, interactive group work, and inspirational talks tailored for the next generation of water leaders.

16. The Chair will provide further updates, if any, at the meeting.

Agenda Item 7.2: 7th African Young Water Professional's Forum & Cairo Water Week (CWW) 2024 from 13 October to 17 October 2024

17. The 7th African Young Water Professionals Forum organized under the platform of Cairo Water Week (CWW)-2024 from 13-17 October 2024, Cairo, Egypt. The Forum focused on the theme '*Water and Climate: Building Resilient Communities*'. It was brought together leaders, experts, and stakeholders from around the world to tackle some of the most pressing water and climate challenges. The Five sub-themes of the Forum were – (i) Transboundary Water Governance for Sustainable Development: Focusing on shared water resources; (ii)

Strategic Water Resources Management in Enhancing Community Resilience: this theme examined strategic approaches to water management, highlighting the role of effective policies and practices in strengthening community adaptation to climate impacts; (iii) Innovation and Financing Resilient Solutions for Water Security: with an eye on cutting-edge solutions, (iv) Actions for Water and Climate Adaptations and Resilience: practical actions and frameworks took centre stage, showcasing efforts aimed at integrating water and climate adaptation strategies to bolster resilience; and (v) Climate-Smart Communities: Planning and legislation: addressing the importance of governance.

18. About 2100 participants from 92 countries participated, 77 International Water Organizations, 25 Exhibitors, 5 High Level Special Events, 181 papers and 85 posters were presented during the Forum.

19. The Chair will provide further updates, if any, at the meeting.

Agenda Item 7.3: 6th African Regional Conference, 14-18 April 2025 in Abuja, Nigeria

20. The 6th African Regional Conference on Irrigation and Drainage (ARCID) of ICID was held from 14th to 18th April 2025 at the Shehu Musa Yar'Adua Centre, Abuja, Nigeria, West Africa. The Conference was organized by the Nigerian National Committee on Irrigation and Drainage (NINCID), under the auspices of the Federal Ministry of Water Resources and Sanitation (FMWRS), in collaboration with the African Regional Working Group (AfRWG) of ICID. The theme of the Conference was 'Tackling Irrigation Development and Water Management Crisis in Africa'. The conference focused on key issues such as: (i) Adaptive strategies for climate resilient irrigation systems; (ii) Sharing successful irrigation projects, schemes, and policies; (iii) Promoting regional and international cooperation; (iv) Identifying capacity-building needs for professionals; (v) Exploring financing mechanisms and investment models for sustainable irrigation infrastructure. In addition, the two day training workshop for Young Professionals (YPs) was also held on 11th & 12th April 2025 during the Conference.

21. The Chair will provide further updates, if any, at the meeting.

Agenda Item 8: TF on Women's Empowerment in Water Resources Management – Updates

22. During the 74th International Executive Council (IEC) meeting held in 2023 at Vizag (India), IEC approved the establishment of the Task Force on Women Empowerment in Water Management (TF-WEWM), vide Resolution IEC-2/74.

23. The aim of this TF is to empower women in sustainable water resource management and agriculture water management in ICID member countries. This will be achieved by increasing women's participation in decision-making processes and policy development at managerial and governance levels. Empowering women and giving them a more prominent role in managing the water sector can lead to more significant sustainable development and gender equity. The following composition & Terms of Reference (ToR) are given below:

Terms of Reference

- (a) Identify the challenges to women's participation in governance and decision-making levels.
- (b) Acknowledge the opportunities for harnessing women's capacity to improve water governance and management.
- (c) Review the current status of women's participation and their role in managing water resources and agricultural water management.
- (d) Review existing global experiences and successful international models in women's empowerment in water
- (e) Encouragement international organizations to collaborate with this ICID initiative
- (f) Providing a platform for joint projects between ICID and international partner
- (g) Dissemination of the outcome among related parties

24. During the Sydney (2024) meeting, Dr. Narges Zohrabi (Iran) has desired to cooperate with the WG-CDTE on the possible lines such as (a) Women's participation in governance; (b) Women's role in managing water resources; and (c) Global experience in women's empowerment in water etc. In December 2024, ICID Central Office has requested Dr. Narges to share the concept notes on the above activity.

25. During the last meeting, Dr. Rajendra Poddar (India) informed the members about the involvement of women in water related initiatives at Water and Land Management Institute at Dharwad in India. Further, he might have discussed about 'Role of Women in PIM/WUA' in the Water and Land Management Institute (WALMI). In this regard, Dr. Poddar will start women related activities which might be organized through online followed by physical

meetings. In December 2024, ICID Central Office has requested him to share a Concept Note along with tentative program of the activity of the group.

26. Dr. Rajendra Poddar (India), Secretary of the WG may provide further updates, if any, at the meeting.

27. During the first virtual meeting of the TF-WEMM held on 10 April 2025 issues like update on ICID TF-WEMM Road Map, 3-Year Action Plan (2024-2026), Task Team formation, international workshop of TF in 2025, planned TF activities at WIF-4, collaboration with the International Water Association (IWA) etc. were discussed. The minutes of the virtual meeting of TF have been circulated among the members of task force.

28. Dr. Narges Zoharabi, Chairperson of the TF will provide further updates, if any, at the meeting.

Agenda Item 9: Dissemination of Knowledge – Website

29. The WG-CDTE Website (http://icid-ciid.org/inner_page/129) has been updated with the membership, agenda, minutes, paper presentations, publications etc. The members are encouraged to actively participate in the activities of the WG and facilitate exchange of information, knowledge and experiences. The networking among membership is important to keep themselves up-to-date with new developments in the various aspects of Irrigation and Drainage. Members are also requested to provide information, papers, presentations made on topics related to scope of work of the WG to the ICID Central Office for uploading on the website of the WG-CDTE.

30. In order to ensure regular contributions from the members, the WG proposes to make full use of Zoom platform for virtual meetings in between face-to-face IEC meeting.

31. The Chair may provide further updates, if any, at the meeting.

Agenda Item 10: E-learning programmes as a capacity development tool

32. ICID e-Learning platform is one of the initiatives to strengthen the capacity building activities. In order to achieve the objectives, ICID always encourages/ supports professionals from member NCs to join the e-learning programs organized by various partners and associates.

33. During the Sidney meeting (2024), Dr. Rajendra S. Poddar and Dr. Narges Zohrabi have agreed to strengthen the capacity building activities of the group through e-learning programs as a capacity development tool. In December 2024, ICID Central has requested Dr. Rajendra S. Poddar and Dr. Narges Zohrabi to provide any information available on details of various e-learning programs and training institutes to the WG Chair VPH Dr. Mohamed Wahba.

34. Chair will provide further updates, if any, at the meeting.

Agenda Item 11: Webinar/Web-based seminar

35. The WG supported the suggestion of organizing webinars to promote sharing vast experience available with ICID fraternity. The ICID CO requested members to provide their suggestions on the topics, based on the mandate of the WG, on which webinar can be considered along with name of the relevant experts who could be contacted to develop webinars.

36. This year, the technical working groups of ICID have organized several webinars based on the mandate of the group which are available at https://icid-ciid.org/inner_page/66 . The group may discuss and suggest suitable topics along with names of the experts for organizing webinars.

37. The Chair may provide further updates, if any, at the meeting.

Agenda Item 12: Any other business

12.1 ICID Members' Profile Section: ICID has launched a new website (<https://icid-ciid.org>) as part of ICID's 70th Anniversary Celebrations to meet the new web technologies. One of the newly added web features provides WG members access to their profile section using their dedicated account. ICID CO vide email dated 9 July 2021 <<https://icid.bmeurl.co/C7D4D2E>> informed all members on how to access their accounts and change their passwords; to maintain accuracy. Members are requested to review and update their information using their credentials and help us maintain accurate information. In January 2023, the ICID Central Office requested all members of the group to review and update their information using their credentials. For more information, please refer to inside back cover page.

12.2 Register on World Irrigation and Drainage Schemes (WI&DS): The Chair will further brief about ICID's initiative to document the development of irrigation and drainage schemes in the world by establishing an online Register on "World Irrigation and Drainage Schemes (WI&DS)". WI&DS will fulfil the need for a much-awaited global repository of information in systematic irrigation and agricultural water management. Irrigation projects having 5000 Hectares and above of Command Area can submit their information for inclusion in the register. The irrigation projects approved by National Committee/ ICID Central Office for inclusion are entitled to Certification. Chair will encourage members to urge all irrigation and drainage scheme owners, managers, and researchers across the world and especially in their respective countries for contributing to the register. The review process and other details are outlined on the portal < <https://wip.icidevents.org/> > in detail.

NOTES FOR CHAIRPERSON:

1. Draft minutes of this meeting to be submitted to ICID Secretariat at Kuala Lumpur, Malaysia after the meeting.
2. Chair to participate and present the WG report to PCTA meeting on 12 September 2025.
