

## DIYARBAKIR

Diyarbakır is one of the largest cities in Southeastern of Turkey and It is situated on the banks of the River Tigris. It is located in an area whose magnificent history, spanning some 5,000 years. Diyarbakır is famed for its culture, folklore, and watermelons. Diyarbakır is surrounded by an almost intact, dramatic set of high walls of black basalt forming a 5.5 km circle around the old city. The Walls were built in antiquity, restored and extended by the Roman emperor Constantius in 349. Diyarbakır boasts numerous medieval mosques and madrassahs including: Great Mosque, The four-footed minaret, Hz. Suleyman Mosque, St. Giragos Armenian Church, Archaeological Museum.

City Walls

Located on a transitional zone between the mountainous Eastern Anatolia and the plains of Upper Mesopotamia, Diyarbakır was once on important trade routes and it is still at the center of the main highway network reaching such centers as Elazig, Sanliurfa, Mardin and Bitlis. Railway reached the center of the province. Diyarbakir also has an airport with flights to all major centers in Turkey.

Diyarbakır has a semi-arid climate. Summers are very hot and very dry. Average temperature is 20 °C in May..
